

HERMIONA EDUCATION

TRANSFORMATIVE LEARNING FOR A CHANGING WORLD

We are as international as it gets. As a team, we speak **20+ languages**, and our students come from **over 25 countries**.

We work with students from **age 10 through adulthood**, adapting to their individual needs and aspirations.

Our team are **affiliates of top educational institutions** such as Cambridge, Harvard, MIT, Oxford, Princeton, and University of Chicago.

OUR APPROACH

● Equip

We prepare young minds with the **resilience, critical thinking, and adaptability** needed for an ever-changing world.

● Execute

Through **personalized diagnostic testing** and evaluation of student backgrounds, we craft **tailored roadmaps** to facilitate their journey towards reaching their goals.

● Evolve

We champion **education as a lifelong journey** and guide our students towards exceptional educational opportunities to unleash their potential.

STUDENT OUTCOMES

● Personal Mission Mentorship

Working with our mentors, students discover their unique and specific **personal missions**, identify the **disciplinary tools** they need to achieve them, and work towards bespoke **personal mission capstone projects**.

● Substantial Exam Score and School Performance Improvements

We help students reach their potential on **coursework** and **international and national assessments** such as IB, (I)GCSE, A-levels, and AP as well as ACT/SAT, TOEFL, IELTS, and Duolingo.

● Top University & School Admissions

Students are **accepted to globally renowned universities and top-tier schools** including but not limited to Harvard, Imperial, Stanford, MIT, University of Cambridge, and many more!

SOCIAL IMPACT

At Hermiona, we support initiatives for social good through various **pro bono projects**, reflecting our company's mission to help students successfully adapt to a rapidly changing world by equalizing access to educational resources.

Hermiona Gifted Program

Through Hermiona Gifted, we provide **discounted educational services** to talented students from underprivileged families, offering specialized support and resources to help them maximize their potential and thrive in a dynamic learning environment.

Partnership with Meds4Kids

We maintain a long-term collaboration with Meds4Kids, **co-sponsoring charity drives** dedicated to supporting pediatric cancer patients.

IEOx EssayChallenge

In partnership with the International Economics Olympiad, we run an **annual international essay competition** organized to facilitate scholarly exploration and exchange of ideas.
