

CAMPUS & BUSINESS TOURS

Customized travel programs introducing students to top universities and industries across the US, UK, and EU

THE TOURS ARE FOR

students aged 14+ and their parents

Anyone who wants a firsthand look at higher education and career environments abroad, and to take first steps towards meaningfully connecting with the opportunities they offer

PARTICIPANTS

- 1. A sense of university life** — campus culture, academic environment, and student experience
- 2. Direct access to a network** — meet students one-on-one, speak with professors, and engage with professionals across industries, building relationships that extend beyond the visit
- 3. Exposure to leading industries** through visits to real companies, research labs, and professional environments
- 4. Added clarity on academic and career direction** through personal inspiration

STRUCTURE

- › 1 to 10 days of **curated visits** across the US, UK, or EU
- › Each itinerary is **built around the student's individual goals**, interests, and target universities or industries
- › **Accommodation and transportation can be included** or arranged separately, depending on the family's preference, academic environment, and student experience
